2025-2026 Junior Kindergarten Registration Form

Geoffrey Rue
Pastor

St. Paul's Jr. Kindergarten specializes in developmentally appropriate practices. Our programming balances creativity, academics and learning through play in a nurturing, Christian environment. There are individual, small group, and large group times. There is time to learn and time to play. We offer flexible programming to work around today's families' complex schedules. We feature a low teacher to student ratio and encourage parents to volunteer in the classroom. We have a well-trained, experienced, and committed teaching staff. Junior Kindergarten is currently taught by Mrs. Hannah Renner, with a teacher aide as needed.
